

2020 COLUMBUS TACO FEST RESCHEDULED FOR OCTOBER 10TH AND 11TH 2020

COLUMBUS, OH - April 15th 2020 – In light of the events surrounding COVID-19 The Columbus Taco Fest has been rescheduled from May 16th-17th 2020 to October 10th-11th 2020. Originally set to take place in Genoa Park, Columbus Taco Fest will now host their festival at Goodale Park, located in Victorian Village near The Short North Arts District of Downtown Columbus.

“When we first heard about the executive order on mass gatherings would take place until May 1st, we put the safety of our festival staff and goers first, and sadly canceled our event. However, we are thankful for our city officials who worked hard to find us a date so that we can carry on planning for our third year! It was even more exciting when we learned we would be given Goodale Park, a historical landmark of Columbus,” said Hugo Albornoz and Syndey Kondas, Event Organizers.

The team at Columbus Taco Fest is still promising “two days of tacos, two days of fun,” for all taco lovers in attendance on festival day. The city officials and the taco fest team will continue to be realistic in regards to the current circumstance and the health requirements being given to them. They are hoping everything will be better in the fall, and that they will be able to celebrate all things taco with attendees.

The Columbus Taco Fest aims to benefit local taco trucks by giving them a showcase for their cuisine, as well as creating a getaway filled with tacos, music and fun for their beloved city's dwellers. Along with this, a goal of the fest's each year is to work with a Columbus non-profit organization so that they may give back to a community in need.

Festival Mission

Our mission is to position the Columbus Taco Fest as a regionally and nationally recognized festival destination, by providing a unique mix of Mexican cuisine and quality entertainment through a viable event that attracts visitors and stimulates local economic growth. Working closely with and being able to benefit non-profit organizations will be a driving factor within the festival's overarching goals.
