

## COLUMBUS TACO FEST GRAB-N-GO OCTOBER 10TH AND 11TH 2020

**COLUMBUS, OH – September 21st 2020** - In an effort to support local food vendors, and taking into consideration the safety of all of you, their friends, and neighbors, for the past several months the Columbus Taco Fest has been exploring ways to safely host their event that celebrates their love for all-things taco. The team wanted to provide a way to still enjoy some of Columbus' best taco trucks all in one spot while keeping the safety and health of the community in mind. While they were hoping things would be better around this time, many options were considered to guarantee that their festival would maintain the caliber of services they take pride in delivering each year.

*"Our main focus for this year is to just make sure it's done safely, make sure everyone feels safe coming to Taco Fest too, because as we all know, COVID-19 is a scary thing to deal with" said Hugo Albornoz and Syndey Kondas, Event Organizers. "It's all about local, you know? That's what we're trying to do here, support our community and be safe at the same time."*

At the Columbus Taco Fest Grab-N-Go attendees will be able to pre-order online or through the Street-FoodFinder app, drive up to the event, and pick-up at the corresponding truck at a preset time. To keep yourself and others safe, social distance and masks will be required during pick-up to maximize safety.

### **Festival Mission**

Our mission is to position the Columbus Taco Fest as a regionally and nationally recognized festival destination, by providing a unique mix of Mexican cuisine and quality entertainment through a viable event that attracts visitors and stimulates local economic growth. Working closely with and being able to benefit non-profit organizations will be a driving factor within the festival's overarching goals.
