## COLUMBUS TACO FEST RETURNING TO GOODALE PARK OCTOBER 7-8.

**COLUMBUS, OH - September 11, 2023** — The Columbus Taco Fest is returning to Goodale Park on October 7-8, 2023 for another weekend of tacos, music, and fun. This will be the second year at this location for the popular event after successfully debuting at Goodale Park in 2021.

Due to popular demand, organizers have added a fall Taco Fest later in the year. This makes 2023 the first year with both a spring and fall Columbus Taco Fest.

“We’re excited to bring Columbus Taco Fest back to Goodale Park this fall,” said Hugo Albornoz, organizer of the event. “The taco fans of Columbus loved this location so much in 2021 that we decided to bring it back to this local staple.”

The family-friendly festival will feature taco options from dozens of local food trucks. There will also be a VIP tequila garden, live music, entertainment, and more.

General admission tickets are available now at [www.columbustacofest.com](http://www.columbustacofest.com) for \$5 in advance and \$7 at the door. VIP tickets will be available soon and include access to the VIP Lounge with a tequila tasting as well as additional perks.

“This year we’re introducing general admission ticketing in an effort to reduce long lines and wait times,” said Albornoz. “We want to do our best to make sure everyone can easily enjoy all the tacos and fun at Columbus Taco Fest.”

Proceeds from the festival will benefit Feed The Kids Columbus, a non-profit organization that serves and advocates for children in Central Ohio who experience food insecurity. To learn more, visit [www.feedthekidscolumbus.com](http://www.feedthekidscolumbus.com).

The Columbus Taco Fest celebrates its sixth year as one of the city's most popular food festivals. After debuting in 2021 at Goodale Park, organizers saw record turnout and decided to return to the park due to its central location and proximity to downtown.

"We love bringing Columbus residents and visitors together for a fun weekend of tacos and entertainment," said Albornoz. "Goodale Park proved to be a perfect setting with its green space and amenities. We can't wait to fire up the grills and celebrate another great year."
